Galeria Kazimierz E-7, ul. Podgórska 34, tel. 012 433 01 01, www.galeriakazimierz.pl. Opened in 2005 the success of Galeria Kazimierz has marked another step in Kraków's economic renaissance and the mall rates as the most prestigious in the region. Boasting over 130 retail units fashion stores include Morgan, H&M, Zara and New Yorker, as well as cosmetic specialists such as Sephora, Marionnaud and Superpharm. Also on-site are an EMPIK megastore, Sony Centrum, Euro RT V AGD, and revered jewelers W. Kruk, Svarowski, Zibi and Swiss. The Alma supermarket offers Kraków's premier selection of food and beverages, while those preferring a sit down meal can choose from the American themed Jeff's restaurant or Pizza Hut. For recreational needs Galeria Kazimierz also touts a ten screen Cinema City complex, while a currency exchange office and information desk cement its status as visitor friendly. Situated next to the Kazimierz district the mall is easily accessed on foot; those arriving by car have 1,800 car parking spaces to pick from. ▶ Open 10:00 - 22:00, Sun 10:00 - 20:00.

Covering 60,000 square metres over three floors, the Galeria Krakowska has brought big time shopping to Krakow in a big way. If you arrived by train (or came in by train from the airport) it is unlikely you missed this place: a huge glass and steel shopping Mecca opposite the old station building, which as malls go makes it one of the most centrally located in Europe. The Centre has made a huge contribution to the regeneration of an area that once was home to all manner of shacks and huts and the development includes a new square as well as access to the train platforms next door. Stores housed here include H&M, Peek & Cloppenburg, electronics giant Saturn, children's emporium SMYK and an enormous Carrefour supermarket as well as over 260 other retail units, 1400 car parking spaces and an entertainment centre and restaurants.
